Hello everyone!

I just wanted to thank everyone for all of your help last year and beyond. It can get tricky trying to juggle everyone with their schedules, so thank you for keeping me updated.

With hockey & snowbird season upon us, I am short quite a few people for January, so I did my best to not schedule anyone TOO much.

Hopefully, this month will go fast and spring will be here before we know it! (Pray!)

Thanks again for all that you do!

*Patty*
