

Faithfully Building Our Future

Christ the King Catholic Church • Cambridge, Minnesota

An Invitation to Review and Discuss Proposed Facility Improvements/Expansion

March 27, 2016

Number 1

For the past 71 years Christ the King Catholic Church has served the people of Cambridge and the surrounding area. In the decades to come, we look forward to continuing to celebrate the grand heritage of the parish and to providing deeper and more meaningful opportunities to know and love Jesus Christ.

To help ensure we can provide the facilities that will serve parishioners in the near term and the future, we are currently gathering important information that we want to share with all parishioners during two identical presentation/dialogue meetings on:

❖ Sunday	April 10	4:00 p.m. – 5:45 p.m.
❖ Wednesday	April 13	6:00 p.m. – 7:45 p.m.

The material we will share and discuss includes our parish mission, history, current demographics, Volunteer organization/structure, programs and ministries, time, talent, treasure, our operating budget, balance sheet, and a proposal to improve and expand our parish facilities.

Our goal will be to provide you with the best information we have available at this time, and then to invite your comments, questions and constructive ideas about how we may choose to address the needs in our facilities. Together, as a family of faith, we can help shape our future through this dialogue.

We hope you will be able to arrange your schedule to participate in **one** of these two important meetings. Refreshments and a light meal will be served.

As a member of Christ the King Parish your reactions to the information will guide our next steps. Therefore, your participation is not only welcome, but it is essential to our success. Stay tuned as the process unfolds in the coming weeks. Thank you!
